WARD V
Michael Hudgins

WARD VI
Guy Bowering

Due to national and state health directives concerning the COVID-19 virus, with Mississippi Public Schools closed through April 17th, and with national and state guidelines to limit gatherings of 10 or more, Liberty Park and Strawberry Patch Park will remain closed to all visitors until April 17th.

This means that all playgrounds, walking paths and athletic fields at these sites are off-limits to anyone through April 17th. The department cancelled all athletic games and practices at Liberty Park and D1 fields on Friday, March 13th, which will continue through this time.

We will continue to monitor the situation and will follow national and state guideline for our citizens' well-being during this time. While we understand the inconvenience that these closures may cause, we want to do our part to help flatten the curve of the COVID-19 virus.

Thank you all to the citizens of Madison The City for your continued support and we look forward to having all of you back enjoying the parks with friends and family soon.

Nathan Hanson
