On February 22, 2021 at 5:46pm officers of the Madison Police Department responded to 1029 Hwy 51 in the City of Madison regarding an unresponsive male inside of a vehicle. Once on the scene, medical personnel and officers were able to revive the individual after it was determined that he was suffering from complications that were related to opioids. The victim was transported to an area hospital for treatment and was released the following morning. Investigators began an investigation on information collected from the original call and they were able to identify an individual involved in the purchase of the substance. During the course of the investigation, investigators were able to arrest Carlos Dominique Allen, DOB: 06/27/1988 of 2750 N Siwell Rd Jackson, MS. He is charged with Trafficking of a Controlled Substance, Two Counts of Felony Possession of a Controlled Substance, and Possession of a Firearm by a Convicted Felon. This arrest took place in the City of Madison with the assistance of the Madison County Sheriff's Department and the Madison/Rankin District Attorney's Office.
